## INFORMATION, PLEASE

Willard: sitcom veteran

I was a huge fan of the latenight sitcom Fernwood 2-Night, which starred Fred Willard and Martin Mull. Is it available on DVD? Verla Sherhols, Kanata, Ont.

If it is, I can't find it. I bet you're not the I only fan who fondly recalls this outrageous comedy and its stars - Willard, who we've seen recently on Everybody Loves Raymond, and Mull, who you'll likely remember as Leon on Roseanne. It was a 6 canada.com/tytimes

summer replacement series that aired from July 4 to Sept. 30, 1977, five nights a week - just like the TV talk shows it satirized. That quickly added up to 65 episodes. If anyone knows of official videos or DVDs, please let me know.

I regularly watch a show called The Virginian on Lonestar. When did it originally air and what are stars James Drury, Doug McClure and John McIntire doing today?

Allen Sandstrom, Calmar, Alta.

This long-running western has 1962 and didn't ride off into the sun-This long-running western first aired in set until 1971. Drury starred as the Virginian - a nameless man who imposed law and order on a community in the Wyoming Territory. McClure was the young cowboy Trampas, with McIntire joining the cast in 1967 as Clay Grainger,

following the death of Charles Bickford. Although Drury continued to take small roles after the series, he settled in Houston and became a businessman. Sadly, McClure died of lung cancer in 1995 - a few months before his 60th birthday - and McIntire died in 1991. He was 84.

Could you please give me an address for Benjamin McKenzie from The O.C.?

Rachel Banton, Montreal

You may write to the Austin, Tex., native c/o *The O.C.*, P.O. Box 900, Attn: Fox Broadcasting Publicity Dept., Beverly Hills, Calif., 90213-0900.

What was the guitar music playing at the end of the Friends finale? Dave Teece, Victoria

The song heard at the end of the finale was Embryonic Journey by Jefferson Airplane. It's from the Loves You CD.

0

by Joan Nettle

A song was played in the last scene of a recent episode of Judging Amy entitled My Little Runaway. What was it called and who sang it? Sammy Jabagi, Calgary

The song was Slow Down, by Ben ■ Jelen. It's on his Give It All Away CD.

NOTE: Thanks to the readers who provided info about Lingo, a show that was the subject of a question a few weeks ago. The current version has been airing on the Game Show Network since 2002, and it is an update of a show, filmed in Vancouver, from 1987.

Penn: Oscar-winning role

# Mystic River \*\*\*

A superior drama of raw emotion and quiet power, director Clint Eastwood's version of Dennis Lehane's best-seller boasts Academy Award-winning performances by Sean Penn and Tim Robbins. They star as childhood friends drawn back together by a present-day tragedy that re-energizes memories of a past trauma. DVD extras (on three-DVD version) include: theatrical trailer; audio commentaries; "making-of" documentary; interviews; Bravo's From Page to Screen episode; and soundtrack CD.

Stiller and Wilson: good ol' boys

## Starsky & Hutch ★★★

Two of the most famous police-detective partners in TV history are revived by Ben Stiller and Owen Wilson in this affectionately humorous revision. The script recalls how David Starsky and Ken Hutchinson (Stiller and Wilson) were paired and established a relationship with street-smart informant Huggy Bear (Snoop Dogg). Vince Vaughn and Juliette Lewis play the villains; the original Starsky and Hutch, Paul Michael Glaser and David Soul, have cameos. DVD extras include: theatrical trailer; "making-of" documentaries; audio commentary by director Todd Phillips; deleted scenes; outtakes.

#### Confessions of a Teenage Drama Oueen \*\*\*

Lindsay Lohan stars in this enjoyable Disney comedy about a teenager who moves from New York to a New Jersey suburb. She immediately crosses her new school's popularity queen (Megan Fox), and challenges her for the lead in a play. Adam Garcia, Glenne Headly and Carol Kane also appear.

#### The Human Stain \*\*\*

Although it didn't get the expected attention during its theatrical run, this involving adaptation of a Philip Roth novel boasts a top director (Robert Benton, Kramer vs. Kramer) and a prestige cast. Anthony Hopkins plays a college professor whose long-kept secret about his identity comes to the fore when he becomes involved with a janitor (Nicole Kidman). Ed Harris and Gary Sinise co-star.

#### Millennium: The Complete First Season \*\*\*

Executive producer Chris Carter's followup to The X-Files, this Fox series also specialized in dark themes. Lance Henriksen stars as Frank Black, a former FBI agent with a knack for tracking serial killers. He now works with the secretive Millennium Group, consisting of other former law-enforcers who use their skills to rid innocent people of the evil among them. Megan Gallagher plays Black's wife

#### **ATHLETICS**

MEN'S 100m FINAL CBC. NBC

The men's 100-metre sprint is arguably the most glamorous event of the Olympics, and the winner earns the right to be called "the world's fastest human." American Maurice Greene hopes to repeat as champion, a feat previously accomplished by American Carl Lewis in 1984 and 1988. Greene, one of the most colourful athletes at the Games, was the world champ in 1997, 1999 and 2001, He will have to outpace teammate Shawn Crawford and Asafa Powell of Jamaica, his strongest challengers. Nicolas Macrozonaris and Pierre Brown will represent Canada. The last time a Canadian runner took home the gold was when Donovan Bailey ran a perfect race at the 1996 Atlanta Games

**WOMEN'S 100m HURDLES** QUALIFYING

All eyes will be on gold-medal hopeful Perdita Felicien, as the qualifying round will give Canadian fans a preview of what's to come. Felicien defeated American rival Gail Devers to capture the world indoor hurdles title earlier this year, and she is considered a solid contender for gold.

**WOMEN'S MARATHON FINAL** CBC. NBC

Women first participated in the marathon race way back in 1984 in Los Angeles, and no nation has ever had a repeat winner. The field is again very competitive and wide open, but fans should keep an eye on Paula Radcliffe of Great Britain and Margaret Okayo of Kenya.

Adams: wheelchair athlete MEN'S 1.500m WHEELCHAIR **WOMEN'S 800m WHEELCHAIR** FINAL CBC. NBC

Both of these are demonstration events this time. These races should provide plenty of excitement, and are expected to draw huge audiences both Athens 2004

inside and outside the Olympic Stadium. Paralympians Jeff Adams and Chantal Petitclerc will represent Canada.

#### ROWING

**MEN'S EIGHTS FINAL** WOMEN'S EIGHTS FINAL CBC. CNBC

There will be lots of action on the water today, with these two finals on deck. Of all the Olympic rowing events, the eights are a traditional favourite. The Canadian men. who won the 2002 and 2003 World Championships, have high hopes for a medal finish.

#### **TENNIS**

**MEN'S SINGLES FINAL** TSN

American Andy Roddick and Swiss star Roger Federer will likely hook up in this tennis final. Last month, Federer defeated Roddick at the Tennis Masters Canada tournament in Toronto.

#### WRESTLING

WOMEN'S 55-kg, 63-kg and 72-kg FREESTYLE QUALIFYING CBC. CNBC

Tonya Verbeek of Beamsville, Ont., has a shot at a medal in the 55-kilogram weight division. The wrestling veteran won the bronze medal at the Athens pre-Olympic event and was in top form heading into the Games. In the 63-kilogram division, Saskatoon's Viola Yanik, the current Canadian champ and a bronze medallist at the 2003 World Championships, could also reach the podium. But it's in the 72kilogram event that Canada's hopes shine brightest. Calgary's Christine Nordhagen has had a strong year, winning gold at the Olympic qualifying tournament and the Austrian Ladies Open.

Is the series Ivanhoe, which starred Roger Moore, available on video? Barb and Garry Leslie, North Battleford, Sask.

Thirty-nine episodes of Ivanhoe aired way back in 1958. It starred an impossibly young-looking Moore, along with the late Robert Brown. It has not been released for sale.

In a recent episode of The Young and the Restless. Nick and Sharon had an intimate scene in which a song was played in the background. What was the name of the

> Debbie Renaud. Sault Ste. Marie, Ont.

The song that was used during that inti-I mate daytime-TV moment is called Me and You and was performed by country music star Kenny Chesney. It's the title track on his CD of the same title.

I enjoyed Rick Schroder very much as an actor on NYPD Blue and would like to know if he ever worked onstage.

Silvia Logan, Ottawa

Chroder began his career when he was iust three months old, modelling and appearing in commercials. As a child, he did well in bigscreen movies - who could forget him in The Champ (1979)? - but now his success is tied to TV. I can find no mention of him appearing in live theatre.

Who plays the part of the housekeeper on Two and a Half Men? What are some of her other TV credits? I think she is very funny.

> Kathleen Cunningham, Greenfield Park, Que.

onchata Ferrell came to TV straight from the New York stage. In 1975, she appeared in the wonderful but shortlived comedy series Hot L Baltimore reprising the role she originally created off-Broadway. Now 61, she continues to work seemingly non-stop on TV and in movies. Her other TV credits include the series Push, Nevada, Teen Angel, Townies, Hearts Afire, L.A. Law and ER.

On the show Airwolf, the main character Stringfellow Hawke (played by Jan-Michael Vincent) lived in a secluded log cabin on a lake. I'm interested in finding out where that cabin was located, what lake it was on and who owned it. Would it be possible to find this information so that I could write to the owners?

T. Hardie, Chatham, Ont.

Vincent: cabin dweller

Exterior scenes were filmed at a cabin cowned by Donald P. Bellisario, the creator of the 1984-86 series. It is located on Big Bear Lake in California's San Bernadino National Forest. Interior shots were filmed on a soundstage. Bellisario is also the creator and producer of Quantum Leap, JAG, Navy NCIS. You may write to him c/o JAG Productions, 5555 Melrose Ave., #203, Hollywood, Calif., 90038.

Affleck and Lopez: short-lived romance

Jersey Girl \*\*\*

After the failure of her earlier movie with ex-fiance Ben Affleck, Gigli, Miramax Films played down the presence of Jennifer Lopez in writer-director Kevin Smith's romantic comedy-drama. She's out of the picture after a few minutes, leaving Affleck to play a widower father who gets a new love interest (Liv Tyler), although he worries how the relationship might impact his young daughter (Raquel Castro). Comedian George Carlin co-stars. DVD extras include: "making-of" documentary; audio commentaries; Kevin Smith's Roadside Attractions and A Conversation With Kevin Smith and Ben Affleck featurettes.

Ratings \*\*\* Excellent \*\*\* Good \*\* Fair \* Poor

#### Magnum P.I.: The Complete First Season

His contract to do the CBS series forced him to pass up the part of Indiana Jones in Raiders of the Lost Ark, but Tom Selleck didn't fare too badly by playing Hawaii-based private detective Thomas Magnum in this long-running adventure series. He even won an Emmy Award for the role. John Hillerman is uppity perfection as Higgins, the keeper of the posh estate where Magnum stays, and Roger E. Mosley and Larry Manetti also co-star.

#### The Punisher \*\*\*

The final case of an FBI agent (Tom Jane) turns out to be the start of his campaign of vengeance in this action-crammed version of the Marvel comic book. The violence is intentionally dark, with John Travolta and Laura Harring as a power couple driven by their own grief to orchestrate a massacre of the Fed's family. Rebecca Romijn-Stamos, Will Patton and James Carpinello co-star.

#### Soul Plane \*\*\*

A mistreated passenger (Kevin Hart) figures there's a better way to run an airline, and he gets the chance to prove it in this sometimes crass, often amusing comedy. After winning a lawsuit, he uses the payment to set up his own air carrier, catering mostly to black clients. Tom Arnold, Snoop Dogg, Mo'Nique and Method Man are among the co-stars.
